LP's Real Estate Group, Four Attorneys Ranked by Chambers and Partners

CHICAGO, May 30, 2017 – Levenfeld Pearlstein, LLC (LP) is pleased to announce that four of its attorneys, as well as its Real Estate Practice Group, have been recognized among Illinois' leading lawyers in the 2017 edition of Chambers USA: America's Leading Lawyers for Business. Three attorneys from the firm's **Real Estate Practice Group**, **David Berzon**, **Tom Jaros** and **Brian Kozminski**, are recognized, along with **Michael Tuchman** of LP's **Tax Planning & Litigation Practice Group**.

In addition to its individual Chambers USA honors, the guide, which is widely recognized as producing the nation's most authoritative and thoroughly-researched legal industry rankings, named LP's Real Estate Practice Group as one of Illinois' best. **Chambers USA** noted that the group " Possesses a fine reputation in the real estate market for its expertise in transactional work, advising owners, lenders and borrowers on acquisitions and dispositions, construction and leasing matters. It was also noted as possessing notable experience handling deals involving condominiums and manufactured housing communities."

Client service in particular was noted as a strength of the group. Clients said, "They've been one of the best business partners for many years. We cannot think of a time that Levenfeld Pearlstein has not produced great service for us" and, "We couldn't ask for more from them - they are professional and interested in what our business is."

The Real Estate group received a Band 3 ranking by Chambers, sharing that ranking with much larger Illinois firms Jones Day, Dykema Gossett, and Seyfarth Shaw. The Real Estate Practice Group has been ranked in Chambers' guide every year since 2009. Berzon, Jaros, Kozminski and Tuchman have all been previously ranked by Chambers as well.

Chambers & Partners' staff of full-time researchers prepares legal directories that assess and rank the world's leading lawyers according to their reputations among peers and clients. The USA guide was introduced in 2003 and ranks the leading lawyers and firms in an extensive range of practice areas throughout the country. Chambers USA is read by industry-leading companies and organizations throughout the United States and worldwide and is widely used by firms for referral purposes.
